Auction Rules

- Magazines, comics, cards, and other small items will not be accepted unless they are to be auctioned in bulk.
- In order to save time, auctioneers reserve the right to bundle items with a starting bid of less than \$5 if they see fit. If we have bundled some of your items together and you disagree with this decision, politely yell at us when we start the bidding. We can then pull your items from the auction.
- PrairieCon collects a 15% commission on all auction sales. A portion of profits may be donated to charity.
- Due to time constraints some items may not be auctioned. Unsold items may be collected at the registration desk following the auction.

Shaded columns are for the use of PrairieCon auction staff - please leave empty.
