

Room Sponsorship Policy

The opportunity to sponsor a room will be advertised through Facebook. There will be no expectation that the advertising coordinator or any other member of the committee will be expected to actively solicit room sponsorship as part of their regular duties. The post will direct interested sponsors to contact the promotions coordinator to arrange details of the sponsorship and payment.

A total of 11 rooms are available for sponsorship. PrairieCon reserves the right to choose which rooms will be sponsored if less than 11 sponsorships are sold. Of those 11 rooms:

- Five rooms have unrestricted sponsorships.
- Four rooms are only available if the sponsor is willing to choose at least one of the D&D tournament events as one of their three sponsored events (thus ensuring sufficient space for the 8 slots of D&D tournament).
- Two rooms are only available for sponsorship if the sponsor is willing to sponsor Pathfinder events exclusively (since these two rooms are being exclusively used for Pathfinder events all weekend), and the sponsor may choose only one sponsored game per slot (see below), even if multiple games are running in the room.

Room sponsorships shall be \$100, no more, no less. \$100 shall be the cost of sponsorship and the cost of sponsorship shall be \$100. \$101 shall not be the cost of sponsorship, neither shall it be \$99, excepting that thou then proceed to add \$1 and make it \$100. \$102 is right out. Once the sponsorship of \$100, being one hundred dollars, is given, then the sponsor shall be entitled to the following rewards of sponsorship:

- The placement of the sponsor's name, or a name of his choosing, on the room signage as the sponsor of the room. For example, Joe Smith may wish to have the sign for room 420 have the notation, "Sponsored by Joe Smith", or his business name, "Sponsored by Joe Smith's Widgets Emporium", or in memory of his dearly departed mother, "Sponsored in memory of Mary "Mom" Smith". The signage will remain in place for the entire weekend, from approximately 4pm Friday through 6pm Sunday. PrairieCon reserves the right to decline potentially offensive signage.
- The sponsor may choose up to two RPG events that will be scheduled to be played in the sponsored room. These may be games that the sponsor is DMing or playing in, or any other RPG of his/her choosing that is being played during PrairieCon. The games must not be running concurrently. The sponsor may request that the games be run during certain slots, but PrairieCon will only guarantee the games, not the slots.

- The two chosen RPG games will receive VIP treatment, with each player and the GM (maximum 8) receiving a complimentary snack and cold canned beverage hand-delivered to their event free of charge.
- Each room sponsor shall be acknowledged as a sponsor on the PrairieCon website and Facebook page.
